

## Survey to Chief APOs

### Issue: Use of CBD products

#### Question (from Somerset County):

Has your department banned any use of CBD products while an offender is on supervision?  
Please let me know @ [saylorv@co.somerset.pa.us](mailto:saylorv@co.somerset.pa.us).

#### Bucks County

It's only a prohibited substance for Drug Court participants in Bucks County.

#### Cambria County

In Cambria County any usage of CBD products by an offender must be cleared with our President Judge. He has not granted it when asked yet.

#### Carbon County

I have had the same experience (with offenders)

#### Dauphin County

Dauphin is the same as Bucks and Lancaster

#### Erie County

Erie is the same as Bucks.

#### Lancaster County

Lancaster is the same as Bucks.

#### York County

I believe some CBD oils do not contain THC while others do, so I really think it depends on the product the defendant may be using.
