PA DUI Association announces Ignition Interlock Training for Probation Officers.

This training will provide information on the step by step process to apply for an ignition interlock limited license or an ignition interlock restricted license. The training will inform probation officers how to assist their clients in determining their eligibility and necessary paperwork needed.

This training can be offered in person or virtually at no cost. The training will last one hour which includes time for questions and answers. With more probation officers assisting clients we have determined a need for this session in order to provide accurate information on the application and licensing process.

If you are requesting an in-person training, we would request a minimum of ten (10) participants. We are offering four separate virtual zoom trainings on the following dates.

January 13, 2021	11:00am-12:00pm
January 13, 2021	1:00pm to 2:00pm
January 20, 2021	11:00am to 12:00pm
January 20, 2021	1:00pm to 2:00pm

To request the training please email Eileen Lee at elee@padui.org include your name and the day and time of the training you prefer.

Thank you

Eileen Lee
